DESCRIPTION

This BUNKER modular corner floor cabinet measures 865mm and offers excellent storage to maximise your space, whether at home or work. This floor cabinet can be used as an individual storage cabinet or in conjunction with a corner stainless steel or hardwood worktop as part of our innovative modular storage system.

Built to endure, the BUNKER corner cabinet boasts a durable matt black, textured finish. This industrial-grade powder coating protects the unit against scratches, wear, and corrosion, keeping your cabinet looking sharp for years to come. Inside, an adjustable shelf maximises space utilisation, allowing you to customise your storage for various tools and equipment. Additionally, the adjustable feet ensure a level workspace, even on uneven floors.

The unit is supplied with all necessary fittings for easy installation.

Some BUNKER products are sent on pallets. Their high quality construction means that some products are heavy and will require two people to lift them. Tools not included.
