- All steel fabrication for all weather
- 1200W high power DC motor
- Fitted with gear-train for smooth and quiet operation and longer working life
- Remote controlled enables power to be controlled from a safe distance
- Wire rope fed through 4-way roller

DESCRIPTION

For mounting on vehicles or trailer beds. Steel all-weather fabrication and high power DC motor gives first class pulling power. Fitted with gear-train for smooth quiet operation and longer working life. Remote control can be hand held or fitted to vehicle allowing power to be controlled from a safe working distance. High quality wire rope fed through 4-way roller gives smooth and even distribution of cable on to drum helping prevent line kink.
