FEATURES

- Fast wireless charging pads offering simultaneous charging for up to two devices
- Pull-out phone holder for securing QI enabled mobile phones whilst charging
- Strong magnets on the front for attaching Draper wireless charging products
- Strong magnetic panels on the rear for mounting to magnetic surfaces
- Mountable to non-metallic surfaces like walls and van panelling, using built-in screw holes
- Ultra-tough ABS and nylon polymer IK07 construction - 2m drop proof
- IP20 dust and water resistance
- USB-C charging cable and 3-pin UK plug supplied

DESCRIPTION

Fast wireless dual charging pad capable of charging up to two devices simultaneously. Fitted with strong magnetic panels on the front and back to hold devices with a metal surface in place while charging. The LED charging indicator flashes green when charging. There is a pull-out phone holder suitable to hold QI enabled (wireless charging) smart phones up to 166 x 80 x 10mm in size. The charging pad is mountable to a non-metallic surface or wall using the two screw hole fixings (screws not supplied). IP20 rated. Compatible with the Draper range of wireless/USB rechargeable lights including Mini-Flood Light (Stock No. 65688), Head Torch (Stock No. 65689) and Hand Torch (Stock No. 65690) - sold separately. Supplied with USB-C charging cable and 3-pin UK plug.
