

Draper HI-TORQ® Metric Flexible Head Double Ring Ratchet Spanner

BRAND Draper

WARRANTY Lifetime

FEATURES

- · 90-Tooth ratchet mechanism
- · Ring ends have 180° flex head
- The 4° movement enables use in tight spaces
- Forged from chrome vanadium steel that is hardened, tempered, fully polished and mirror chrome plated
- Optimal leverage through 12-point HI-TORQ®

DESCRIPTION

These Draper HI-TORQ® metric flexible head ratchet combination spanners are forged from chrome vanadium steel that is hardened, tempered, fully polished and mirror chrome plated for corrosion protection. Both ring ends have a 180° flex head and 90-tooth ratchet mechanism, and the 4° movement enables use in tight spaces. The 12-point HI-TORQ® delivers maximum leverage by transferring torque to the flats and preventing slipping or damage to the fastener.
