8 Pattern Spray Gun with Thumb Control

STOCK No. 19722 **BRAND** Draper

BARCODE 5059482012419

WARRANTY Lifetime

FEATURES

- Eight Patterns; full, soaker, centre, cone, stream, mist, flat and shower
- Brass connector compatible with most manufacturer's hose systems

DESCRIPTION

Well-designed jet spray gun manufactured from high-quality aluminium and featuring eight different spray settings, for everything from car washing to misting delicate foliage. The thumb driven on/off switch also controls the water flow, including locking it on. Along with the ergonomic rubberised grip, this enables the user to water for long periods without discomfort.

CONTENTS

1 x 8 Pattern Spray Gun
