

## Tube frame for Battery Powered Wheelbarrow

**STOCK No.** 92457 **BRAND** Draper

**BARCODE** 5010559924578

**WARRANTY** 12 months parts and labour

### FEATURES

- 

### DESCRIPTION

This sturdy tube frame can be used to replace the standard bucket on the battery powered wheelbarrow. When fitted it provides a more suitable means to carry heavy and awkward items such as bags of sand, cement or hay bales. Designed for use with item 92453 24V Battery Powered Wheelbarrow (250W).
