# Schumacher® SC348 2 Bank 12V On Board Marine Battery Charger, 15A

**STOCK No.** 13102 **BRAND** Schumacher

**BARCODE** 5059482082092

**WARRANTY** 24 months parts and labour

## FEATURES

- Charges batteries sequentially and automatically detects connected batteries
- Compatible with various batteries including Standard, AGM, Gel, and Deep Cycle
- Advanced multi-stage charging technology to extend battery health and lifespan
- Protection against reverse polarity
- Water resistant - IP65 protection rating and ideal for marine, humid or dusty environments
- Easily attach vertically or horizontally using mounting slots

## DESCRIPTION

This onboard marine battery charger from Schumacher is durable and provides efficient sequential charging. It charges two batteries alternately, with the first for 15 minutes and then the second, ensuring that devices are always ready for use without long wait times. It automatically detects connected batteries and uses advanced multi-stage charging technology to extend battery health and lifespan. The charger is compatible with various batteries including Standard, AGM, Gel, and Deep Cycle. It has an IP65 protection rating, making it water resistant and suitable for marine, humid, or dusty environments. The charger can be easily attached vertically or horizontally using its four mounting slots.

**Draper Tools is licensed to sell Schumacher products in the UK, Ireland and Europe**
