- Compatible with DXPULSE 18V series

DESCRIPTION

Part of the D20 multi-tool battery system, this cordless angle grinder is powered by a high-performance brushless motor. It has automatic speed and torque adjustment for ease of use. The motor enables a smooth start and there is a focus on safety features including anti-restart, overload protection and quick stop. It features built-in disc adjustment, so no extra tools are needed. Fits 125mm discs and can also be used with 115mm discs. There is an ergonomic soft grip for comfortable use. The side (auxiliary) handle can be positioned on the left or right. Supplied with disc guard, protection guard for cutting, disc changing spanner and side handle. D20 batteries and chargers available separately.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.

CONTENTS

1 x Disc guard
