Defender E85300 230V Fly Lead Converter 16A - 13A

STOCK No. 35154 **BRAND** Defender

BARCODE 5059482126376

WARRANTY 12 months parts and labour

FEATURES

- 230V 16A Plug to 13A Socket enables 13A plug to be connected to 16A socket
- 250mm lead
- BS EN 50525-2-11

DESCRIPTION

Single socket 230V fly lead connects a standard plug, tool or light to a 16A lead without the need for rewiring, saving time and money. Robust plug and single socket with 25cm cable - long enough to maintain flexibility but short enough to avoid excessive tangling. Ingress rating IP20. BSEN 50525-2-11 compliant.
