SMD LED USB Rechargeable Telescopic Torch with Magnetic Pickup, 1W, 100 Lumens, USB-C Cable Supplied

STOCK No. 31082 **BRAND** Draper Expert

BARCODE 5059482077258

WARRANTY 12 months parts and labour

FEATURES

- Versatile handheld torch with retractable flexible neck for illuminating confined spaces
- Telescopic 360° flexible neck extends from 177-522mm
- Powerful magnets on head and base easily retrieve nuts, bolts and screws
- Durable aluminium construction, robust enough to survive a 2m drop
- Magnetic base for hands-free use
- Knurled handle for extra grip
- LED battery capacity and charging indicator
- Dust proof and water-resistant
- Powered by rechargeable Li-ion battery
- Supplied with USC-C charging cable

DESCRIPTION

This robust extendable torch features a retractable flexible head, allowing it to illuminate confined spaces. The telescopic flexible neck extends from 177mm to 522mm and provides 360° of light. It is equipped with a knurled handle for a better grip. The flashlight has powerful magnets on the head and base, making it easy to retrieve nuts, bolts, and screws. The strong magnetic base also allows for hands-free use when placed on a magnetic surface. There are two brightness settings - low and high, producing a maximum of 100 Lumens. It is powered by a rechargeable lithium-ion battery and includes a USB port for convenient charging using the supplied USB-C cable. An LED indicator displays battery capacity and charging status. The flashlight is constructed from durable aluminum and can withstand a 2m drop. Additionally, it is dust and water-resistant.

CONTENTS

1 x USB-C cable

SPECIFICATIONS

Beam Distance	13m
Runtime	2-6 hours
Charge Time	2.5 hours
