STOCK No. 99511 BRAND Draper

**BARCODE** 5010559995110

WARRANTY 12 months parts and labour

### **FEATURES**

- · 160L drum capacity
- · Supplied with a robust 4-leg stand and wheels
- 230V induction motor (650W)
- No volt safety switch
- · Mixer can be used on or off the stand
- Full assembly required

### **DESCRIPTION**

Built to high standards and robustly engineered, this cement mixer has a reliable IP45-rated motor for exceptional performance. The heavy duty drum is ideal for mixing concrete and mortar for small to medium-sized projects. Some assembly is required but once set up, it's light and portable and comes with a support stand and wheels for ease of use on building sites or at home. The mixer can be used on or off the stand.
