

Millers Oils Millmax 46 Hydraulic Oil, 1L

STOCK No. 14482 **BRAND** Millers Oils

BARCODE 5024081515517

WARRANTY Consumable Warranty Applies

FEATURES

- Excellent resistance to compression allows for superb power transfer
- Zinc-based anti-wear properties extend equipment lifespan by protecting components from wear
- Excellent thermal and oxidation stability helps maintain system cleanliness over extended periods
- Low-foaming formula reduces aeration and cavitation, ensuring reliable power transfer
- Demulsification prevents water contamination that could lead to rust, corrosion and reduced lubricity
- Compatible with elastomers and seals, promoting longer seal life and minimising maintenance needs
- Suitable for industrial hydraulic systems, mobile equipment, injection moulding machines, mining and quarrying, and forestry and agricultural equipment

DESCRIPTION

Millmax 46 from Millers Oils is a high-quality anti-wear hydraulic oil, ideal for helping equipment to run smoothly and efficiently. It is suitable for use in a wide range of applications including industrial hydraulic systems, mobile equipment, injection moulding machines, mining and quarrying, and forestry and agricultural equipment. It offers reliable protection against corrosion and wear, whilst maximising power transfer for efficiency in industrial applications.

Meets the specification of DIN 51524-2 (HLP)

CONTENTS

1 x Millers Oils Millmax 46 Hydraulic Oil, 1L
