

High-Density Foam Paint Roller with Soft Grip Handle, 4"/100mm

STOCK No. 20793 **BRAND** Draper

BARCODE 5059482068881

WARRANTY Consumable Warranty Applies

FEATURES

- Made from high-density foam for an ultra-fine finish and minimum fibre loss
- Ideal for oil and solvent based paints and finishes over smooth surfaces
- Sturdy zinc plated steel roller frame with ergonomic soft grip handle

DESCRIPTION

This high-density foam roller is designed for achieving an ultra-fine finish on smooth surfaces. The material ensures there is no fibre loss during application, making them ideal for oil and solvent-based paints and finishes. This 4" roller is specifically designed for use on smaller surface areas such as window sills. The roller frame is made of sturdy zinc plated steel and features an ergonomic soft grip handle for comfortable use.

CONTENTS

1 x High-Density Foam Paint Roller with Soft Grip Handle, 4"/100mm
