

230V Diesel and Kerosene Space Heater, 51,200 BTU/15kW

STOCK No. 04174 BRAND Draper
BARCODE 5059482034862
WARRANTY 12 months parts and labour

FEATURES

- Fitted with a compressor pump for high efficiency
- Heats quickly and evenly and offers great fuel economy
- Made from high-quality steel with a protective gloss black powder coated finish
- Simple to use and fitted with a carry handle for manoeuvrability
- Suitable for use in open and semi-open environments such as workshops, garages, factories and jobsites

DESCRIPTION

This multi-fuel diesel and kerosene clean burn heater is fitted with a compressor pump for high efficiency. The 19L tank offers great fuel economy, able to heat small spaces quickly and evenly for approximately 13 hours. It is manufactured from high-quality steel and has a protective gloss black powder coated finish. There is a simple on/off switch for ease of use and a LED light shows when in operation. It is fitted with a carry handle on top for portability. This heater is only suitable for use in open and semi-open environments such as workshops, garages, factories and jobsites.

CONTENTS

1 x 230V Diesel and Kerosene Space Heater, 51,200 BTU/15kW

SPECIFICATIONS
