DESCRIPTION

The BUNKER modular floor cabinet with a sink and 2 doors measures 680mm and is the perfect addition to your existing or new workshop. Made from high-quality steel for exceptional durability, this floor cabinet is fitted with a stainless steel sink and two cupboard doors. The adjustable feet can be unscrewed and replaced with castor wheels (stock number 09056).

It can be used as an individual storage cabinet or as part of the BUNKER modular storage system, which includes a range of clever modular options.

The cabinet is finished using a matt black industrial powder coating designed to protect the unit from scratches and wear, and the aluminium handles add the perfect finishing touch to provide a sleek appearance. Additionally, the feet of the cabinet can be easily adjusted for optimal positioning.

Order your new BUNKER online from our trusted stockists.

Please note taps and waste not included.

Some BUNKER products are sent on pallets. Their high quality construction means that some products are heavy and will require two people to lift them Tools not included. Please note taps and waste not included.
