BARCODE 5059482067945
WARRANTY Consumable Warranty Applies

FEATURES

- Six pre-set guide bushes - 4, 5, 6, 8, 10, 12mm
- Built-in 90° V-groove base for drilling
- at angles and on cylindrical stock
- Anti-slip rubber surround for
- stability and preventing damage to
- the worksurface

DESCRIPTION

This drill guide makes it easy to create straight holes without the need for a drill press. There are six pre-set guide bushes - 4, 5, 6, 8, 10, 12mm that hold the drill in position. There is a built-in 90° V-groove base for drilling at angles and on cylindrical stock. The anti-slip rubber surround enables stability while drilling and prevents damage to the worksurface.

CONTENTS

1 x Drill Guide
