Laserliner 036.295A CompactPlane-Laser 3G Pro

STOCK No. 36467 **BRAND** Draper

BARCODE 4021563716647

WARRANTY 12 months parts and labour

FEATURES

- Three-dimensional laser with a horizontal and two vertical 360° laser circles
- Exact horizontal and vertical alignment of objects
- Easy alignment of slopes with manual tilt function
- Good visibility through green laser technology
- Digital connection interface for remote control with smartphones using the Commander app
- Time-saving automatic alignment
- Effective protection against measurement errors through tilt function
- Integrated handheld receiver mode for outdoor applications and long ranges
- Pendulum restraint for safe transport
- Long operating life due to second battery pack included in the scope of delivery

DESCRIPTION

This 3D laser projects one horizontal and two vertical laser circles, perfect for precise alignment of objects. The green laser technology provides high visibility, even in the most unfavourable lighting conditions. Gradients can be easily aligned using the manual slope function. The digital connection interface and free Commander app provide convenient remote control for the laser. Thanks to the effective prevention of measurement errors with the tilt function, the device provides a high degree of measurement reliability. The integrated handheld receiver mode allows the unit to be operated with an optional laser receiver, perfect for outdoor use and for long-range applications.

CONTENTS

1 x Laserliner 036.295A CompactPlane-Laser 3G Pro
1 x WallHolder
2 x HighCapacityPack (Li-Ion)
1 x Network/charging device incl. international adapter
1 x USB-C-cable
1 x Carrying case
