FEATURES

- Low kickback Oregon® bar and chain
- Tool free chain tensioner
- Large fell handle
- Automatic chain lubrication and oil level indicator window
- Automatic chain brake
- Requires two D20 batteries
- D20 batteries and chargers sold separately
- D20 interchangeable battery system allows you to combine the same battery/batteries with any of the tools within the D20 series

DESCRIPTION

A compact, powerful and lightweight chainsaw that utilises D20 multi-tool battery technology. Fitted with a host of features including a low kickback Oregon® bar and chain, easy to use tool-free chain tensioner, larger than-average fell handle, automatic chain brake, automatic chain lubrication and oil level indicator window. All these features result in a chainsaw ideally suited for use in forestry, agriculture and garden activities. This chainsaw requires two D20 batteries (recommend use with 4.0Ah). Batteries and chargers are available separately.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.
