FEATURES

- Seven full-size screwdrivers in slotted and Pozi profiles provide practical options for common fixing types and sizes
- 10 precision screwdrivers cover small slotted, Phillips and TX-Star fasteners for detailed repair and assembly work
- 21 25 mm screwdriver bits provide a broad selection of slotted, Phillips, Pozi, Hex and TX-Star profiles for interchangeable use
- The 1/4" hex drive bit holder provides a convenient way to use the supplied screwdriver bits
- Nine 6-point Hi-Torq sockets from 5–13 mm cover a useful range of common metric fasteners
- Different screwdriver lengths and tip sizes make it easier to select an appropriate tool for the fastener and available working space
- The compact set keeps multiple screwdriver, bit and socket options together for convenient storage and access

DESCRIPTION

Extensive set including the most commonly used screwdrivers, screwdriver bits and a wide selection of sockets. The screwdriver blades are made with chrome vanadium steel, hardened and tempered, with satin chrome finish and blackened tips. The screwdriver bits are also made with chrome vanadium steel, hardened and tempered, with a shot blast finish. Supplied in plastic storage rack with hinged transparent lid.
