STOCK No. 09007 **BRAND** Draper

BARCODE 5059482039973

WARRANTY Lifetime

FEATURES

- Comfortable soft grip handles
- Strong flexible stylish storage case with belt clip
- Made from stainless steel
- Non-stick coating for corrosion-free operation

DESCRIPTION

These bypass secateurs are made from high-quality stainless steel, correctly hardened and tempered. The blades have a non-stick coating for a smoother operation and corrosion protection. The handles have soft grips for comfort while in use and are fitted with a safety lock. The stylish holster has a belt clip and is strong and yet flexible, perfectly designed to hold the secateurs safely while on the move and when stored away.
