FEATURES

- Compact and portable design
- Lifting range 130-330mm
- One-piece handle
- Fitted with rear swivelling castors
- Safety overload protection
- Supplied inside a robust plastic storage case with carry handle

DESCRIPTION

This compact trolley jack is portable and ideal for light duty lifting from 130-330mm. Quick to assemble and easily operated using the one-piece handle. It is fitted with rear swivelling castors for manoeuvrability. There is a safety valve to prevent the jack from overloading. Supplied inside a robust plastic storage case with carry handle.

Manufactured to EN1494 specification
