DESCRIPTION

Introducing the multi-functional floor cabinet by BUNKER. Designed for versatility, this cabinet offers ample functional space to help you maintain a tidy and organised workspace. Featuring a durable matt black textured finish, this unit is built to withstand scratches and wear, ensuring long-lasting use. The unit comes equipped with a spacious, deep drawer enhanced by a sleek aluminium handle, soft-close sliders, and foam lining, providing optimal protection for your tools and equipment.

Additionally, it has a space to accommodate an optional bin (32855), and paper towel roll holder are conveniently situated above the drawer, enabling easy access for quick paper towel disposal. For added security, the unit features an integral lock supplied with two keys. The adjustable feet can be unscrewed and replaced with castor wheels (stock number 09056).

This cabinet serves as standalone storage, perfectly paired with either a stainless steel or hardwood worktop. Alternatively, it seamlessly integrates into the BUNKER modular storage system, offering a wide range of clever modular options for enhanced organisation and customisation.
