STOCK No. 30292 **BRAND** Draper

BARCODE 5059482115264

WARRANTY 12 months parts and labour

FEATURES

- Two 65Mn steel reversible blades for efficient shredding
- Shreds branches up to 45mm in diameter
- Fast feed hopper and safety plunger
- Steel frame fitted with wheels
- 60L collection box

DESCRIPTION

This garden shredder features two robust, high-speed reversible blades for fast, efficient shredding. Its powerful series motor allows it to handle branches up to 45mm in diameter with ease. The hopper and safety plunger ensures safe, convenient loading by pushing compostable waste inside without blade contact. A spacious 60L collection box, housed within a sturdy steel frame, provides mess-free chipping and the integrated wheels make transport effortless.
