

230V Angle Grinder, 230mm, 2400W

STOCK No. 56493 **BRAND** Draper

BARCODE 5010559564934

WARRANTY 24 months parts and labour

FEATURES

- Three-position side handle
- Anti-vibration body
- Quick-release adjustable disc guard and spindle lock
- Soft starting and restart protected
- Carbon brush replacement warning light

DESCRIPTION

This electric angle grinder features a three-position side handle, for added comfort and control while in use. Its powerful 2,400W motor is equipped with a soft start and is restart protected for safety. There is a quick-release adjustable disc guard and spindle lock, allowing easy disc changing. It is designed to minimise vibration and kickback while in use. There is a carbon brush warning light, informing when a replacement is needed, and it comes complete with a pair of carbon brushes.
