DESCRIPTION

Optimise your workspace with the BUNKER modular wall cabinet, featuring convenient tambour doors. Measuring 1360mm, this tambour door cabinet can be used on its own or as part of the BUNKER modular storage system for a seamless and efficient setup. The tambour-style doors offer easy access, while inside you'll find four adjustable shelves and a pegboard for organising and displaying your tools.

Finished in a sleek matt black textured coating, this modular wall cabinet not only adds a contemporary touch but also provides industrial-grade protection against scratches and wear with its durable powder coating. Designed for flexibility, it can be mounted directly to the wall or paired with a floor cabinet using the back panel and side wall bracket to maximise your storage potential.

Transform your workspace with this versatile, durable solution. Explore how BUNKER modular wall cabinets can make a difference today..
