FEATURES

- Made from steel with protective powder coated finish
- Ball bearing drawer sliders for smooth operation
- EVA anti-slip worktop mat and drawer lining
- Pull handle
- Integral lock (supplied with two keys)
- Easy to manoeuvre castors, two fitted with brakes

DESCRIPTION

This practical 11-drawer roller tool cabinet is constructed from sheet steel and has a protective powder coated finish that guards against scratches and corrosion. The spacious drawers have a stylish aluminium trim and are equipped with ball bearing sliders for smooth operation and a 2mm EVA liner to protect tools and prevent them from sliding around. The worktop is also lined with EVA for added protection. For easy manouverability, the cabinet includes a sturdy pull handle and is fitted with four large steel castors - two fixed and two swivel with brakes. For security the cabinet has an integral lock to safeguard tools and comes with two keys.
