

Garden Tipping Trolley Cart, 75L

STOCK No. 58553 **BRAND** Draper

BARCODE 5010559585533

WARRANTY 12 months parts and labour

FEATURES

- Tipping hopper.
- Pneumatic tyres.
- Foam grip handle.

DESCRIPTION

This robust garden cart is designed to transport heavy loads with ease and unloading is a breeze, because it can be tipped. Making it ideal for moving soil, mulch, stones and general waste as well as carrying garden tools and paving slabs. With the load being evenly dispersed, it is more comfortable to use than a wheelbarrow. The cart has a steel chassis that is capable of withstanding loads of up to 200kg. The plastic tub has a large capacity of 75L and loads are simply tipped out using the quick-release mechanism. The tub is convenient to clean and the steel frame is powder-coated to make it more durable and resistant to corrosion. The large pneumatic wheels are easy to direct using the pull handle, which has a EVA foam cushioned grip for comfort.

CONTENTS

1 x Garden Tipping Trolley Cart
