

Auto Locking Pliers Set (3 Piece)

STOCK No. 07103 BRAND Draper

BARCODE 5059482079856

WARRANTY Lifetime

FEATURES

- Jaws automatically adjust, ideal for use in confined spaces
- Built in wire cutter
- Simple one-handed operation
- PVC dipped release handle for grip

DESCRIPTION

These multi-purpose self-locking pliers automatically adjust their jaws to the task while applying constant pressure. They are particularly useful in confined spaces. The jaws are forged from chrome vanadium steel and nickel plated for durability, these pliers are designed for easy one-handed operation. The release handle is PVC dipped for better grip. The set includes two curved jaw auto locking pliers with wire cutters - 175mm and 250mm (with opening capacities of 20mm and 25mm, respectively), as well as 200mm long nose jaw auto locking pliers with a wire cutter (with a 30mm opening capacity).
