FEATURES

- Ultra-compact and powerful pruning saw
- Cuts up to 60mm diameter of wood and 3mm of metal, making it ideal for cutting through nails holding fence panels together
- Fitted with a branch holder
- Safety switch for more confident operation
- D20 interchangeable battery system allows you to combine one battery with any of the tools within the D20 series

DESCRIPTION

An ultra-compact and powerful pruning saw that utilises D20 multi-tool battery technology. Despite its lightweight and compact design it still delivers fast and powerful cutting, and thanks to the impressive D20 lithium-ion battery technology it cuts up to 60mm diameter of wood and even 3mm of metal, making it ideal for cutting through nails holding fence panels together. This kit comes complete with two spare blades, the D20 4.0Ah battery and the D20 4A fast charger.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.
