DESCRIPTION

Upgrade your workspace with the BUNKER workbench with drawer, measuring 1829mm.

This workbench is a durable and all-in-one solution that features a spacious worktop, a convenient storage shelf, and a secure locking drawer for the most valuable tools you want to keep safe.

The industrial-grade, matt-textured powder coating protects the unit against scratches, wear, and corrosion for lasting durability, and the adjustable feet ensure a level work surface. Keep your workspace organised with BUNKER.

BUNKER workbenches are sent on pallets. Their high-quality construction means that some products are heavy and will require two people to lift them.
