12V Glow Plug Tester

STOCK No. 24706 **BRAND** Draper

BARCODE 5059482072666

WARRANTY 24 months parts and labour

FEATURES

- Six LEDs indicate condition of glow plug and vehicle battery
- Test without removing glow plug from engine
- Powered by 12V car battery

DESCRIPTION

This glow plug tester is designed for quick fault finding and diagnosing the condition of glow plugs without needing to remove them from the engine. It provides a real-world analysis by powering the plugs directly. The tester features six LEDs that indicate the status of the glow plugs and whether the vehicle's battery has enough charge to power them.
