STOCK No. 03183 **BRAND** Draper

BARCODE 5059482047909

WARRANTY 12 months parts and labour

FEATURES

- Made from cast aluminium, carbon steel and toughened glass
- Even spread of light through a 100° beam angle
- Three brightness settings
- USB power bank
- IP65 and suitable for industrial use

DESCRIPTION

This 2,200 lumens rechargeable folding SMD LED site light gives an even spread of light through a beam angle of 100 degrees. The colour temperature is 6,000 to 6,500K – cool white to daylight – meaning fewer shadows, and there are three output settings: 100%, 50% and 30%. Made from cast aluminium, carbon steel and toughened glass, the rechargeable folding light has a power bank with a running time of four hours (at maximum setting). The light is IP65 and IK06 rated, with bumpers for added protection, and there is a USB output for a smartphone. It is supplied with a 230V UK BS approved three-pin plug. This 2,2000 lumens rechargeable folding SMD LED site light is part of a wide range of SMD LED site lights available from Draper Tools.

Manufactured and certified to UKCA, CE

CONTENTS
