- Comes with 28 screwdriver bits and an adaptor

DESCRIPTION

This multifunction 1/4" hex screwdriver and cutting tool is designed for driving screws and cutting soft materials such as leather, card and fibre up to 6mm thick. It is intended for domestic and infrequent light trade use. The screwdriver features four interchangeable heads for driving and cutting, an integral 1.5Ah battery and a one-hour charger. The different heads allow users to drive screws at an angle or eccentrically. The screwdriver has an LED worklight and comes with 28 screwdriver bits and an adaptor.

Manufactured and certified to CE/UKCA
