- Detachable branch holder for one-handed use and better grip
- Safety switch
- Fitted with soft grip handle
- Includes a wood/metal cutting blade and wood cutting blade
- D20 batteries and chargers available separately

DESCRIPTION

Part of the D20 multi-tool battery system, this cordless pruning saw is ultra-compact and yet powerful. It is capable of fast cutting up to 60mm diameter of wood and 3mm of metal, making it ideal for cutting through nails holding fence panels together. It is equipped with a detachable branch holder for one-handed use and better grip when pruning. Lightweight and fitted with an ergonomic soft grip handle for user comfort. Simple trigger operation with a safety switch within easy reach. Includes a wood/metal cutting blade and wood cutting blade. D20 batteries and chargers available separately.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.

CONTENTS

1 x Wood cutting blade, 7tpi
1 x Wood/metal cutting blade, 19tpi
