DESCRIPTION

Part of the D20 multi-tool battery system, this 1/4" Sq. Dr. impact driver is powered by a high-performance brushless motor and twin hammer for extra torque. It is also equipped with a forward/reverse switch and variable speed control. The built-in ultra-bright LED worklight provides added visibility in low light conditions. Fitted with an ergonomic soft grip handle and belt clip for portability. D20 batteries and chargers available separately.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.
