Draper Expert Bow Saw, 300mm

STOCK No. 94979 **BRAND** Draper Expert

BARCODE 5059482009976

WARRANTY Lifetime

FEATURES

- Triangular toothing
- Soft grip handle
- Blade fitted with tool guard

DESCRIPTION

Tough steel oval tubular frame with a high carbon steel cutting blade with hardpoint teeth. Soft grip injection moulded plastic handle. At the base of the handle there is a blade tensioner device. Ideal for cutting tree branches or fallen branches. The D shape helps cut through wood quickly and the curved nose enables better access to hard-to-reach places.

CONTENTS
