

230V Industrial Dehumidifier, 1300W, 70L

STOCK No. 12500 BRAND Draper

BARCODE 5059482061608

WARRANTY 12 months parts and labour

FEATURES

- Capable of extracting up to 70L of moisture from the air per day
 - Digital control panel features auto-defrost, auto-reset and 24-hour timer
 - Fitted with 100cm x 16mm long hose for continuous drainage
 - Washable air filter
 - Wheels and handle for easy manoeuvrability
 - Refrigerant R290 (propane based)
-

DESCRIPTION

This large portable dehumidifier is capable of extracting up to 70L of moisture from the air per day. It is suitable for large spaces up to 160m² (minimum size - 14m²) to prevent the build-up of mildew and mould. It is equipped with a digital control panel and features auto-defrost, auto-reset and 24-hour timer. The air filter is removable and washable for convenient cleaning. Fitted with 100cm x 16mm long hose for continuous drainage. The steel frame ensures high durability and long service life. Fitted with large wheels and a handle for easy manoeuvrability. Uses refrigerant R290 (propane based).

CONTENTS

1 x 230V Industrial Dehumidifier, 1300W, 70L
