BARCODE 5059482071218

WARRANTY Lifetime

FEATURES

- Hardened SVCM steel blade with satin chrome plating
- Quick release mechanism
- Free spinning knurled grip
- Ergonomic soft grip handle
- Hang hole for easy storage

DESCRIPTION

This premium quick release bit driver is made from hardened SVCM steel with satin chrome plating for corrosion protection. The quick release mechanism makes changing screwdriver bits fast and efficient. It features a free-spinning knurled grip for additional control, and the ergonomic soft grip handle provides comfort during use. The handle incorporates a hang hole for easy storage.
