Estwing EDH-311W Drilling Hammer with Hickory Handle, 1.3kg/3lb

STOCK No. 31337 **BRAND** Estwing

BARCODE 5059482077685

WARRANTY 12 months parts and labour

FEATURES

- Premium hickory shaft, sanded and lacquered
- Induction hardened
- forged head
- Hickory shaft absorbs shock to minimise fatigue and enhance efficiency
- Short shaft, ideal for single-handed use

DESCRIPTION

This Estwing drilling hammer is made from premium hickory imported from the USA. The drop forged head is induction hardened. Hickory serves as a natural shock absorber, intended to minimise user fatigue, reduce vibration, and enhance efficiency. The shaft is short making it ideal for single-handed use. This hammer is used for striking chisels, brick bolsters, driving in stakes, rebar into the ground and general demolition work, like breaking through concrete floors.

ESTWING sledge hammers and striking tools are manufactured generally in accordance with BS 876

CONTENTS
