## DESCRIPTION

Durable super-bright COB and SMD LED slimline light offering a maximum brightness of 300 Lumens. Made from lightweight aluminium, there are four different light settings to choose from and strong magnets located on the back and base of the lamp for hands-free use. The head vertically folds to a maximum of 180° to help re-direct the beam where its most needed. The light is powered by a rechargeable 1.1Ah Li-ion battery and there is a LED charging indicator which flashes while its charging and it stays lit once fully charged. There is also a warning light to inform when the battery is low. It takes approximately three hours to fully charge the light and it can run for a maximum of 5 hours. Supplied with USB-C charging cable.
