FEATURES

- Magnetic tips with black phosphate coating for added durability
- Hardened chrome vanadium steel round blades with satin chrome plating
- Soft grip handle with drive type colour identification
- Precision screwdrivers with rotating cap
- Hang hole for easy storage and extra torque
- Plastic wall mountable storage rack

DESCRIPTION

This soft grip screwdriver set offers a selection of popular sizes. Each screwdriver has a hardened chrome vanadium steel round blade with chrome plating for corrosion protection. The blade tips are magnetic to hold the screw in place, making it easier to deliver more accurate force and precise fastening and loosening. The tips also have a black phosphate coating for added durability. They are fitted with a soft grip handle with drive type colour identification. There is a hang hole integrated into the handles for convenient storage. Supplied organised in a wall mountable plastic storage rack.
