FEATURES

- Supports welders and plasma cutters up to 440 x 257mm
- Made from steel with black powder-coated finish
- Large rear wheels
- Heavy-duty swivel castors
- Maximum capacity 50kg

DESCRIPTION

This heavy duty all-metal welding cart has three shelves for organising welding equipment and accessories. It can transport ARC and MIG welders and plasma cutters up to 440 x 257mm and a standard/large sized industrial gas bottle, secured using the 750mm fitted chain. It is designed for durability and made of thick steel with a black powder-coated finish. There are two large 125mm rear wheels and heavy duty swivel castors at the front for easy manoeuvrability. Maximum capacity is 50kg.
