DESCRIPTION

The BUNKER Load-Up Stacking Storage System offers the ultimate solution for organising, transporting, and securing your tools. Its modular design enables you to combine tool boxes, organisers and crates to create a customised stacking system that meets your specific needs. This highly adaptable organiser is constructed from high-impact resistant polypropylene. It can be stacked with BUNKER Load-Up tool boxes using a fast and reliable interlocking mechanism. Inside, you will find 11 bins and storage space for keeping small parts and components safe and organised. The transparent lid offers easy visibility of the contents, while the integrated carry handle enhances portability. With IP65 protection against water and dust, BUNKER Load-Up effectively shields your valuable tools from the harsh elements and jobsite debris. All BUNKER storage comes with a 12-month warranty, extended to 10 years upon registration. Maximise your mobile tool storage and be ready for any job with the robust BUNKER Load-Up Stacking System.
