

Wheel Nut Socket, 1/2" Sq. Dr., 21mm

STOCK No. 28199 **BRAND** Draper

BARCODE 5059482108914

WARRANTY Lifetime

FEATURES

- Borehole for locking pin or safety spring and groove for O-ring ensures secure fit
- Robust plastic insert protects surface of wheel bolts
- Protective sleeve prevents damage to rim wheels
- Made from chrome molybdenum steel with black phosphate finish

DESCRIPTION

This special wheel nut socket is specifically designed for vehicles which have a 21mm wheel nut profile. Made from chrome molybdenum steel with black phosphate finish for strength and durability. The borehole for a locking pin or safety spring and groove for O-ring ensures a secure fit, while the protective sleeve protects alloy wheels from damage.

CONTENTS

1 x Wheel Nut Socket, 1/2" Sq. Dr., 21mm
