STOCK No. 26176 **BRAND** Draper

BARCODE 5059482104619

WARRANTY 12 months parts and labour

FEATURES

- Straps to secure to any ATV
- Powerful diaphragm pump
- Spot lance and broadcast lance
- Stream and cone spray patterns
- Remote switch for easy operation
- Ideal for spraying fertiliser, weed killer and de-icer

DESCRIPTION

This spot and broadcast sprayer can be securely mounted to any all-terrrain vehicle (ATV) using the tank tie down straps. The high density polyethylene (HDPE) tank has a 60L capacity and is equipped with a powerful diaphragm pump. There are two lances - one for broadcast spraying directly from the tank and another for handheld spot spraying using the trigger. There are two spray patterns - stream and cone and a remote switch for easy operation. This ATV sprayer is ideal for applying fertilisers, weed killers and de-icers.
