Hog Ring Pliers, 180mm

STOCK No. 94973 **BRAND** Draper

BARCODE 5059482009914

WARRANTY Lifetime

FEATURES

- Pistol grip
- Cupped and spring-loaded jaws for secure hold
- Corrosion resistant
- Plastic coated handles for safety and comfort

DESCRIPTION

Steel hog ring pliers with pistol grip primarily used for the installation of hog ring fastenings in vehicle upholstery. The cupped and spring-loaded jaws are designed to securely hold the hog rings in place during closure of the fixing. The pliers are chemically blackened for corrosion resistance and the handles are plastic coated to provide extra grip and added comfort while in use.

CONTENTS
