BARCODE 5059482040801

WARRANTY Lifetime

FEATURES

- Made from galvanised steel
- Long wood handle measuring 1.2m
- Narrow steel head with five tines
- Ideal for working in tight spaces

DESCRIPTION

This practical long handled narrow rake is made from galvanised steel. It has a range of uses in the garden including raking, weeding, cultivating and spreading mulch. The handle is made from wood and measures 1.2m, providing a long reach without back strain. The narrow steel head has five tines and is just 15cm wide, making it ideal for working in tight spaces.

CONTENTS

1 x Long Handled Narrow Rake
