Defender E85301 230V Fly Lead Converter 13A - 16A

STOCK No. 35133 **BRAND** Defender

BARCODE 5059482126383

WARRANTY 12 months parts and labour

FEATURES

- 230V 13A Plug to 16A connector enables 16A plug to be connected 13A socket
- 250mm lead
- BS EN 50525-2-11

DESCRIPTION

Single socket 230V fly lead connects a standard plug, tool or light to a 13A lead without the need for rewiring, saving time and money. Robust plug and single socket with 25cm cable - long enough to maintain flexibility but short enough to avoid excessive tangling. Spring-hinged cover on 13A socket for maximum protection. Ingress rating IP20. BSEN 50525-2-11 compliant.
