Tyre Bead Seater, 19L

STOCK No. 80000 **BRAND** Draper

BARCODE 5010559800001

WARRANTY 12 months parts and labour

FEATURES

- Fully certified 19L tank with gauge and safety valve prevents over pressurising
- Liquid filled gauge for increased accuracy and prolonged service life
- Pressure release valve
- 1/4" BSP male coupler
- Pumps air into the tyre void forcing the bead to seat against the rim

DESCRIPTION

With a 19L tank with liquid-filled gauge for increased accuracy and prolonged service life, this tyre bead seater works by pumping air into the tyre void, forcing the bead to seat against the rim of the wheel, providing an easy way to seat tubeless tyre beads. Suitable for use on cars, commercials, agricultural and ATV tyres.

Manufactured to EN13445 Specification
