BARCODE 5059482040788

WARRANTY Lifetime

FEATURES

- Large and clear dial
- Includes 10 scales
- Simple to use and provides instant readings
- Requires no battery

DESCRIPTION

This moisture meter is a probe that is inserted to root level to provide instant readings of the moisture/pH level of soil. It has a large easy-to-read colour coded dial showing on a scale of 1-10: 1-3 Dry (red zone), 4-7 Moist (green zone) and 8-10 Wet (blue zone). It is simple to use and requires no battery.
